Queen of Enginan, in which axiss Denin performed the title role, her great charac-ter, for the first time in Newcastle. This impersonation is well adapted for display-ing and bringing out the histrionic talent of Miss Denin. Her acting, hat evening, was characterized by great power and depth of feeling, and the manner which she at times changed from parcysms of of Miss Denin. Her acting, last evening, we characterized by great power and depth of feeling, and the manner which she at times changed from paroxysms of passion to the most tender solicitude, from exultation to abject remorse, cooked the plaudite of the audience. Her greatest, effort, however, was in the last act, when the haughty Queen of England, no longer the commanding masculine woman she was in the leyday of youth, is seen as whining, fretful old woman, tottering on the brink of the grave, yet proud and self-reliant to the last, and refusing all aid from her numerons attendants. Here Miss Denin's great facial power and mary vellous command of voice were most conspicuous. The sudden and antural transit too, from an appearance of almost utter helplesaness to impetutous energy, when she found the people ready to acknowledge another sovereign; the determined but unavioling. Mr. Pumphrey, an aged gentleman living the of acting.—Necesale Northern Bully Express, Nov. 9, 1869.

THE COLD SNAP.—Wheeling was not excepted in the general interview with an iceburg yesterday. Wednesday was a beautiful, spring-like day, as pleasant as April. In the evening the weather began to great or property and the property of the present of the property of the present of the property of the present of the property of the present only, were are steadened on Pike street. Mr. Pumphrey, and ged gentleman living in this city for some three or foundance of the property of the present of the property of the present of the property of the present only, were a residence on Pike street.
